HOW DOES THE PARKING BADGE WORK?

The parking Badge

It enables residents, shopkeepers and companies to be exempt from parking restrictions in parking badge zones (except on police order).

Who is entitled to a parking badge?

According to section 7B, character a RaLCR, the "resident" parking badge may only be delivered for vehicles with a Geneva registration plate.

"Resident" parking badge: residents may buy **one parking badge per vehicle** with a Geneva registration plate registered in their name and at their address, **provided they do not rent or own a parking space within their residential parking badge zone or adjacent zones.**

"Business" parking badge: companies registered in the sector may buy **a maximum of two parking badges**, provided that the use of the vehicles for professional purposes is justified.

Parking disc zones

They indicate time restricted parking. They are intended for visitors who may park by displaying the parking disc indicating their time of arrival (from 8am to 7pm).

Where to use the parking badge

The parking badge may be used in the badge zone **28A and 28B** in parking spaces indicated by a display similar to the one shown below.
